

Dr. Awatif Shamata

Name: Awatif Mohamed M. Shamata
Date of birth: 01/09/1976.
Place of birth: Benghazi, Libya.
Address: Benghazi, Libya.
Nationality: Libyan.
Marital status: Single.
Email: Awatif.shamata@gmail.com

Education :

1995 – 2001: **M.B.Ch.B degree.**
Benghazi University, 2002.

2004 – 2007: **MSc degree of Forensic Medicine.**

Benghazi University, 2007.

Thesis title: Pattern of Suicidal Fatality in Benghazi Judicial Area: A six years retrospective study.

Oct 2015 – Oct 2019 : **PhD degree of Forensic Medicine.**

Teesside University, 2019.

Thesis title: Non-contact 3D Surface Scanning of Traumatic Injuries for Forensic Medicine.

Experience:

Oct 2002 – Dec 2008: **Physician**, Internal Medicine Department, 7 October Hospital & Polyclinic, Benghazi, Libya.

Jun 2009 – Oct 2009: **Forensic Medicine Specialist**, Medico-legal Center, Benghazi, Libya.

Oct 2009 – Sep 2023: **Teaching Staff Member**, Forensic Medicine & Clinical Toxicology Department, Omar Al- Mukhtar University, Al- Baida, Libya.

Sep 2023 – Present: **Teaching Staff Member**, Forensic Medicine & Clinical Toxicology Department, Al-Marj Faculty of Medicine, Benghazi University, Benghazi, Libya.

Conferences:

Jun 2005: **Pattern of suicidal death by hanging from 2000 to 2004 in Benghazi judicial area, Libya.** Paper presented as a poster at the 2nd Mediterranean Academy of Forensic Sciences Congress, Tunisia.

Feb 2007: **Pattern of suicidal death by hanging from 2000 to 2005 in Benghazi judicial area, Libya.** Paper presented as a poster at the 2nd Scientific Conference of the Faculty of Medicine, Benghazi, Libya.

Apr 2009: **Pattern of suicidal fatalities in Benghazi judicial area, retrospective study from 2000 to 2005.** Paper presented orally at the 2nd Postgraduate Conference, Benghazi, Libya.

Sep 2009: **Pattern of suicidal fatalities in Benghazi judicial area, retrospective study from 2000 to 2005.** Paper presented orally at International Day of Suicide, Libyan International University of Medical Sciences, Benghazi, Libya.

Apr 2010: **Medicolegal Approach to Skull Fracture:** A review article. Oral presentation at the 5th Libyan Conference of Medical Students & Young Doctors, Musrata, Libya.

Apr 2010: A member of the scientific committee, coordinators of conference, scientific secretaries & one editors of the abstract book at the First International Medical Conference of Medical Sciences, Al-Baida, Libya.

Apr 2010: **Pattern of suicidal fatalities in Benghazi judicial area, retrospective study from 2000 to 2005.** Oral presentation at the First International Medical Conference of Medical Sciences, Al-Baida, Libya.

May 2017: **3D structured light scanning for precise documentation and measurements of forensic wounds in living victims.** Paper presented orally at Postgraduate Research Conference, Teesside University, UK.

May 2018: **Non-contact 3D surface scanning of traumatic injuries of the soft tissues.** Paper presented as a poster at Annual Research Day, Teesside University, UK.

Aug 2018: **Documentation and analysis of traumatic injuries in clinical forensic medicine based on structured light 3D surface scanning versus photography.** Paper presented as a poster at Postgraduate Research Conference, Teesside University, UK.

Publication:

2009: **Pattern of Suicidal Fatalities in Benghazi Judicial Area, a sex years retrospective study from 01/01/2000 - 31/12/2005.** Published in Jamahiriya Medical Journal 2009, Vol.9, No.3, 196-200.

2018: **Using structured light three-dimensional surface scanning on living individuals: Key considerations and best practice for forensic medicine.** Published in Journal of Forensic and Legal Medicine 2018, Vol.55, 58-64.

DOI: [10.1016/j.jflm.2018.02.017](https://doi.org/10.1016/j.jflm.2018.02.017).

2018: **Documentation and analysis of traumatic injuries in clinical forensic medicine involving structured light three-dimensional surface scanning versus photography.** Published in Journal of Forensic and Legal Medicine 2018, Vol.58, 93-100.

DOI: [10.1016/j.jflm.2018.05.004](https://doi.org/10.1016/j.jflm.2018.05.004).

2019: **Determining the Effectiveness of Noncontact Three-Dimensional Surface Scanning for the Assessment of Open Injuries.** Published in Journal of Forensic Sciences 2019.

DOI: [10.1111/1556-4029.14205](https://doi.org/10.1111/1556-4029.14205).

2021: **Assessment of Tobacco Dependence in Al-Bayda City, Libya.** Published in Journal of Scientific Research & Reports.

DOI:10.9734/JSRR/2021/v27i1230470.

2022: **Trends of Road Traffic Accident, Fatalities in Benghazi City from 2011- 2015.** Published in International Journal of Forensic Sciences.

DOI:10.23880/ijfsc-16000263.

2022: **Firearm Fatalities in Benghazi from 2011 to 2013.** Published in International Journal of Forensic Sciences.

DOI: [10.23880/ijfsc-16000269](https://doi.org/10.23880/ijfsc-16000269).

Teaching training:

Mar 2010: Workshop & training course on **Developing the Teaching Staff Skills** by Quality Assurance & Accreditation Unit at Omar Al- Mukhtar University, Al-Baida, Libya, in collaboration with Al-Azhar University & Al Mansoura University, Egypt. [Six days]

Apr 2010: Workshop & training course on the **Human Development** by Quality Assurance & Accreditation Unit at Omar Al- Mukhtar University, Al-Baida, Libya. [Two days]

Jan 2011: Workshop & training course on the **Integrated Systems in Medical Education & Curriculum Development** by Quality Assurance & Accreditation Unit at Omar Al- Mukhtar University, Al-Baida, Libya. [Seven days]

Nov 2015: **Teaching and Assessment workshop** by Learning and Teaching at Teesside University,UK. [Six Hours]

Research training:

Oct 2015: **Research Ethics and Integrity** by Graduated Research School (GRS) at Teesside University, UK. [Seven hours]

Oct 2015: **How to use references** by Graduated Research School (GRS) at Teesside University, UK. [an hour]

Aug 2018: **Preparing posters and presentations** by Graduated Research School (GRS) at Teesside University, UK. [Two hours]

Apr 2019: **Academic writing style for research** by Graduated Research School (GRS) at Teesside University,UK. [Two hours]

Other training courses:

2004: **Computer Training Course** by Ministry of Health, Benghazi, Libya. [Four months]

2007: **IC3** (Internet & Computer Core Certificate) by Ministry of Health at Benghazi Medical Center (BMC), Benghazi, Libya.

2008: **F.P.O.S** (First Person on Scene) by Ministry of Health at Al-Jalah Hospital, Benghazi, Libya.

2010: Workshop on the **Basic Life Support & First Aid** by Quality Assurance & Accreditation Unit at Omar Al- Mukhtar University, Al-Baida, Libya.

2012: Practitioner's course in **Six Thinking Hats** by de Bono Middle East & North Africa at Al-Rewaqa Center, Benghazi, Libya. [Twenty hours]

Dec 2016: **Virtual & Augmented reality** open day by Spearhead agency at Teesside University, UK. [Two hours session]

Jun 2017: **Body location and recovery in forensic context** by Durham and Teesside University, UK. [Five days]

Apr 2018: **Patient Focused Medical photography** in London, UK. [Three days]

Jul 2018: **Comparative and Juvenile Osteology** by Durham University, UK. [Four days]

Award work:

2015: Best Viva by English language support center at Teesside University, UK.

Voluntary work:

Jun 2011- Dec 2011: **Volunteer** as Forensic Medicine Specialist, Medico-legal Center, Benghazi, Libya.

Languages

Arabic: Mother tongue.

English:

Apr- Sep 2013: Diploma in English Language at Beet Language Center.

Sep- Dec 2013: English for academic purpose at Richard Language College.

Jul- Sep 2015: English for academic purpose at Teesside university.
